Event Rules

All vendors and exhibitors will be allocated a 10'X10' space. You are required to provide a canopy or tent for your space, as well as tie downs or weights to keep it in place. This is an outdoor event, and takes place rain or shine. Vendors are required to be set up before the event starts, at 10:00 am, and are required to remain set up until the event ends at 3:00 pm. In the case of extreme weather, the event coordinators will determine whether the event will be ended early. Vendors who begin packing up their booth before the event is over will not be invited back to future Pet Expo events. It is the responsibility of the vendor to carry insurance and to maintain a safe booth space. Vendors are not permitted to sell products/brands that are also sold in the Canadian Pet Connection Pet Health & Wellness Center, however they're encouraged to offer buyer incentives. Canadian Pet Connection does not supply tables, however we do supply chairs for those who require them. If you require electricity, please let us know as soon as possible, as electricity is limited. There is no fee for vendors.
